What is Medica?

The world's largest medical trade fair, COM-MEDICA, covers the entire spectrum of exhibits for both ambulant and in-patient treatment. Over 136,000 visitors are expected this year, from all over the world.

Key product categories include:

- Electromedicine and medical technology
- Laboratory equipment
- Resuscitation equipment
- Emergency medicine
- Diagnostics
- Physiotherapy, orthopedic technology
- Single-use and consumer items
- Information and communication technology
- Facility management, building services engineering
- Textiles
- OR equipment
- Medical furniture and equipment
- Services and publications

A subset of Medica will be COM-PAMED, the leading international marketplace for the medical supplier industry, components and product development!

The states of CT, NH, ME, and RI have exhibit space in the US Pavilion for companies of those states interested in joining us! Participation is on a first come, first serve basis, so don't delay! Most space for the Best of New England booth is already reserved.

Medica has become the leading international meeting point for people in the medical field from around the world. More than 4,000 exhibitors participate every year.

With over 17 halls of exhibitions, what better place to identify potential sales!

Still unsure if Medica is right for you? Give Laura Jaworski at the DECD a call. We'll help you decide.

Additional Programs:

Showcase Global Program - The US Commercial service will conduct pre-show promotion on your company's behalf via their European-wide network at other US Embassies and Consulates to alert international distributors that you will be at the show, and invite them to visit our booth.

Showtime - Meet one-on-one with the medical industry specialists from the US Commercial Service from around the world. These specialists can give you in-depth information on the markets in their countries, including sales opportunities and applicable regulations.

Global Industry Focused Promotion - An innovative (and free!) international trade lead program only for US exhibitors provided by the US Commercial Service.

Market Research and Counseling— before, during and after the show.

Participation and Fees:

- \$3,000 per participant
- Payment and registration by June 28, 2008

Fees include:

- Best of New England Booth with company display areas
- Your products listed in Medica Exhibitor Directory
- Fulltime booth staffing by state reps
- US Pavilion receptions & networking events
- MEDICA trade show pass for your attending staff
- Advance marketing assistance
- Business appointment assistance
- Reserved meeting areas with access to beverage service and additional meeting areas (in U.S. Pavilion)

Testimonials:

- *Medica is a great event for any US based life sciences company large or small that has an interest in expanding its business network on an international level. We have found it to be a great platform for reinforcing existing vendor/supplier relationships as well as a fertile environment to harvest new business and/or product development opportunities.*

By: Sean Conley, VP Operations, ALPCO Diagnostics

- *As a first time exhibitor to this meeting, we achieved our goals of being in front of buyers from around the world. As part of the delegation, we feel we received the most "Bang for our Buck" in the present format and look forward to being a part of the Best of New England Booth at Medica 2008.*

By: Stuart Bauder, President, Tape-O Corporation
