For more information, a program and speaker bios, check out www.stemconn.org

Mailing List: If you are not yet ready to register, but want to receive periodic news and updates, [send us an e-mail now](#).

Consider coming to StemCONN if you are a:

- Business or economic development person interested in short- and long-term commercialization opportunities
- Scientist, academic, or student working in the field of stem cell research
- Connecticut legislator or legislator's aide
- Member of the media

You'll get:

- An overview of commercial prospects
- A full day of cutting-edge scientific and poster presentations
- A briefing on current research underway in Connecticut and the early results of the first phase of the Connecticut Stem Cell Research Fund Grants awarded Fall 2006

Arthur Caplan, Ph.D.
University of Pennsylvania

George Q. Daley, M.D., Ph.D.
Harvard University

Joseph Hammang, Ph.D.
Pfizer

Rudolph Jaenisch, M.D.
Massachusetts Institute of Technology

David L. Katz, M.D.
Yale University School of Medicine and
Medical Contributor, ABC News

Arnold Kriegstein, M.D., Ph.D.
University of California, San Francisco

Robert Lanza, M.D.
Advanced Cell Technology Inc.

Karen Lebacqz, Ph.D.
Pacific School of Religion

Jane Lebkowski, Ph.D.
Geron Corporation

Haifan Lin, Ph.D.
