

Entrepreneurial Seminar for Lifescientists
Friday February 16th from 10:30AM to 12:30PM.
George Street, 8th floor (Achillion's Board room)
New Haven, Connecticut

An excellent opportunity for lifescientists interested in starting or joining entrepreneurial biotech companies.

Our panel of experts from the fields of Venture Capital, Licensing, Banking and Biotechnology will share insights on:

- * the qualities needed to succeed in an entrepreneurial environment
- * early steps required for a start up
- * resources available to scientists thinking of working in a biotech
- * ways to raise money
- * opportunities that may be available through the research universities

Please RSVP to Therese Wallace twallace@curenet.org or 203.777.8747 x 205
